Re: Williamson v. Verizon Services Corp. et al., 1:11-cv-04948-LTS

Dear Judge Fox:

All parties to this case jointly request that the settlement conference scheduled for Wednesday, March 7, 2012, be adjourned. As contemplated by Your Honor's procedures applicable to cases referred for settlement, the parties are in agreement that a settlement conference would be premature at this time, and that no utility presently exists for such a conference. The parties propose that we jointly update the Court in three months as to whether prospects then exist for a productive settlement conference.

Please contact us if you have any questions.

Respectfully submitted,
